## Eaglettes & Parents:

I hope you are enjoying your summer break. I cannot believe how fast it seems to go by. I had a great time at camp with all the officers and I'm very proud of all their hard work and growth.

Going into my seventh year with Eaglettes I have seen lots of changes that continue to make the organization stronger. This year is no exception, I know we have a great group of ladies and this will be a year of excellence. Drill Team is not just about dance is about character building.

I want to welcome Kara Cross as the new Assistant Director. I have confidence she will bring fresh ideas, innovative choreography and positive leadership to Eaglettes. She is very excited to start working with the team. I hope to see everyone at the reception on July 26<sup>th</sup> from 6-8pm at the Kollaja's house. This is a great time to welcome Kara and for her to start meeting everyone.

Please make sure you are taking care of everything due July 31<sup>st</sup> and August 1<sup>st</sup>, I suggest making a list to check yourself.

Enjoy the rest of the month with lots of rest and safe travels.

*Mrs. Thompson*

## *EBC Update...*

Happy Summer! The Raising Cane's fundraiser on June 20<sup>th</sup> was a big success...the Eaglettes made money just by inviting our friends and family to enjoy dinner at Cane's and mention the Eaglettes to the cashier. Thanks to Joan Wunderlich for organizing this super-easy moneymaker! Look for another Raising Cane's night in September (date TBA). Remember—the more people we bring in to Rasing Cane's', the more we earn.

Next up is the Eaglette Family Picnic on July 31 at Huffhines Park in Richardson. Bring your checkbook so you can purchase your RHS football season tickets, just \$35 per person. The Eaglettes have a designated area in the reserved section right by the team. Let's have the best Eaglette cheering section ever this year!

Enjoy the rest of the break...Eaglette line camp, school, and football season will be here before we know it!

# Football Program Ad Selling Tips & Taking Orders-

The businesses most likely to buy ads are those who know you well. Most important, however, is comparing this to the protected ad list. The protected ad list is a list of businesses that purchased ads last year from someone in an RHS organization. The person who sold the ad last year originally, gets that businesses ad the next year. If that person doesn't sell the ad then it becomes the ad of someone within that organization to get. If the ad isn't sold by June 1st, it will be placed on a list of businesses that were not contacted and it would become available to the other people at RHS to sell. The protected ad list is available on the Eaglette website or contact Joan Wunderlich @ wunderjoan@hotmail.com or by phone at 469 438 2886. So before you start selling ads, check the protected ad list to make sure this business is not on that list. If it is, look elsewhere until you are later informed of the updated list.

## Be sure and take the following with you each time you go to sell ads

- Contracts
- Camera
- "Sorry I missed you" letters with your contact information completed
- Last year's Spring Show program

## Making the Sale

- Introduce yourself as a Richardson High School student and a member of the Eaglette Drill Team
- Explain that you are selling ads for the 2011 Football season program, and this helps fundraise money for your individual Eaglette account, social officer or dance officer account.
- Show the potential buyer ads in the 2010 Football program
- Let the customer know that these programs are provided for purchase at every home football game. More than 1500 of these programs are sold annually. This is a great opportunity to be actively involved in supporting the local school. (Supporting the community!)

## The Order Form

- Fill out the order form completely with the customer. It will guide you through the sale.
  - Discuss the ad size and price
    - Show them actual ads in the book so they can see the actual sizes and quality.
    - Price range from \$85-\$550 depending on the size. The prices are on the contract
  - Be sure to ask if they want an Eaglette Member to be in the ad picture
    - Explain that ads get the most attention when Eaglettes members are pictured in the ads. Ask if they want Eaglettes in the photo, offer for them to also be in the photo with you
- Since a Richardson student in the ad draws more attention to the ad than a coupon, ask if their ad could include a discount by presenting a valid student ID. (then note that on the order form)
- Take a picture or schedule a time to take a picture if needed. If you take the photo be sure you take them in "Large File" "High Resolution", "fine" option on your camera.
- Eaglettes should be in matching clothes in the picture or in clothes provided by the customer. (use common sense here, no swim wear, no alcohol in picture, ect...)
- If businesses are submitting their own ad photos ask them to submit their ad photos in high resolution digital form (.jpg or pdf, eps, or Tiff).
- Mark Paid on form only when payment is received
- Tear off the back copy (pink) and give to the customer WHEN THEY HAVE PAID
  - Please make two copies of the completed form. Keep one copy if you sell an ad to someone and they are sending in their own ad and/or are sending in their money direct please email Miss Hamiter a copy of the ad so you'll have it on record.
    - We do this so we can prove we sold the ad, and the money will go into the appropriate account. Example –Betty Eaglette sold an ad to Embassy Suites and the check came later from corporate with totally different name on it and they had no clue what/who it was for. If we have a copy of this on file we will have no problem proving where the money should go. Please also send Joan Wunderlich @ [wunderjoan@hotmail.com](mailto:wunderjoan@hotmail.com) a copy
- **SAY THANK YOU!!!!!!** (and a thank you note makes a huge impression!)

## *"Secret" formula to clean Eaglette uniforms...*

Get a spray bottle - fill with 1 cup dawn dishwashing soap, 1 cup ammonia, and 1 cup of water. (1/2 cups work). Spray around the neck of the overlay and the spots on the skirt. Put it in the kitchen sink in cold water and swish around periodically, then let them sit. Once done, rinse and hang them out to dry.

**Do NOT put uniforms in the dryer.**
